About Me

A dedicated **Computer Science and Engineering** student with a strong passion for **Full-Stack Web Development** and **UI/UX design**. I am dedicated to honing my skills by building practical side projects and continuously exploring new technologies.

Experience

Career Development Intern

Sept 2025 – Present

Center for Career Development (CCD), Green University of Bangladesh

- Assisted in organizing and promoting career-focused workshops and training sessions, helping students develop essential skills to meet employer needs and expectations.
- Contributed to expanding the university's professional network by researching potential industry partners and maintaining a database of employer contacts.

Education

Green University of Bangladesh

Sept 2022 – Present

B.Sc. in Computer Science and Engineering

- CGPA: 3.73/4.0
- **Fundamental Courses:** Cyber Security, Networking, Operating System, Data Structures and Algorithms, Object Oriented Programming, Database Management System, Computer Architecture, Web Programming.
- **Additional Courses:** Engineering Drawing.

Projects

Culinary Canvas

github.com/taher-dev/Culinary-Canvas 🔗

- Developed a full-stack web application for users to save, organize, and cook from online recipes, featuring a unique 'Follow Along' mode with an integrated video player.
- **Technologies:** Next.js, React, Tailwind CSS, Firebase, Vercel

Personal Portfolio Website

github.com/taher-dev/taher-portfolio 🔗

- Developed a responsive personal website to showcase skills, projects, and professional experience.
- **Technologies:** Javascript, HTML, CSS

Employee Management System

github.com/taher-dev/Employee-Management-System 🔗

- Built a desktop application for managing employee records, leave management with functionalities for adding, viewing, updating, and deleting data.
- **Technologies:** Java(Swing), MySQL

Chat Application

github.com/taher-dev/Chat-Application-JAVA 🔗

- Designed and implemented a real-time, multi-client chat application using socket programming.
- **Technologies:** Java(Swing), FlatLaf, MySQL, SocketIO

Sundown Studio Clone

github.com/taher-dev/Sundown-studio-clone 🔗

- Recreated a pixel-perfect, animated, and responsive clone of the Sundown Studio agency website.
- **Technologies:** Javascript, HTML, CSS

Awards

Vice Chancellor's Certificate

Sept 2024

Green University of Bangladesh

- Academic excellence award, fall semester, 2024.

Vice Chancellor's Certificate

Sept 2022

Green University of Bangladesh

- Academic Excellence Award, presented by Prof. Dr. Md. Mohammad Shorif Uddin, Professor and Vice Chancellor.
